HULL & STRUCTURE

SCORPION DEEP-V SPORTS HULL

A 24° deep-V hull geometry engineered for high-speed offshore cruising and heavy-weather operation, delivering exceptional ride comfort, impact control and precise directional stability across a wide operating envelope.

ADVANCED RESIN-INFUSED COMPOSITE CONSTRUCTION

Hull and deck manufactured using vacuum-infused GRP, producing a high-strength, lightweight composite structure with superior rigidity, reduced overall mass and outstanding long-term durability.

COLOUR & FINISH

Four premium GRP hull colour options.

DECKING SYSTEM

Premium synthetic teak decking — UV stable, non-slip, low-maintenance with four colour selections.

BUILT IN BRITAIN

Designed and constructed to commercial-grade standards for exceptional durability, structural integrity and long-term ownership.

CONSOLE & HELM

OFFSHORE COMMAND HELM CONSOLE

Deep, wrap-around helm console with integrated forward-facing seat, delivering exceptional wind and spray protection during high-speed offshore operation.

DUAL-PLANE ERGONOMIC HELM GEOMETRY

Optimised helm layout providing excellent visibility, intuitive system access and reduced operator fatigue over extended passages.

POWERED BOLSTER HELM SEATING

Twin ergonomic Scorpion bolster seats with powered up/down bases for optimum driving posture and impact mitigation.

COMPANION SEATING

Twin rear-facing passenger seats arranged for social cruising and operational flexibility.

TWISTED PERFORMANCE STEERING WHEEL

Leather-wrapped with precision...

CUSTOM TWISTED UPHOLSTERY

Eight colour selections across three premium material finishes.

BUOYANCY SYSTEM

ORCA HYPALON TUBES

Premium ORCA Hypalon fabric, hand-built in-house with Twisted detailing. Four colour options in two surface finishes.

STRUCTURAL PROTECTION PACKAGE

Six integrated grab handles and full-length teardrop rubbing strake.

HIGH-OUTPUT 12V TUBE INFLATION SYSTEM

NAVIGATION, COMMAND & ELECTRONICS

TWIN GARMIN 15" CHARTPLOTTERS with through-hull transducers

GARMIN NAVIONICS PROFESSIONAL CHART PACKAGE

GARMIN VHF 215I with AIS transmit/receive

DIGITAL SWITCHING SYSTEM for full vessel control via the helm interface

SCANSTRUT ROKK WIRELESS COVE 10W helm-mounted charging system

AUDIO & ONBOARD SYSTEMS

JL AUDIO MARINE-GRADE SPEAKER SYSTEM with independent zone control

DEDICATED HELM STATION TWEETERS for optimal sound clarity underway

JL MARINE SUBWOOFER

JL MARINE 1000W AMPLIFIER

LIGHTING & VISIBILITY

LOPOLIGHT LED NAVIGATION SUITE — port, starboard and all-round white

INTEGRATED DECK ILLUMINATION SYSTEM

TWIN TRANSOM UNDERWATER LIGHTS (white or blue)

POWERTRAIN & SYSTEMS

STANDARD POWER:

Twin Yamaha 300hp four-stroke outboards

UPGRADE OPTION:

Twin Yamaha 400hp four-stroke outboards

HELM JOYSTICK CONTROL

FUEL CAPACITY:

900 L $\pm 5\%$

ELECTRICAL ARCHITECTURE

Additional high-capacity marine house battery.

DYNAMIC CONTROL SYSTEMS

Lenco trim tabs with Autoglide automatic pitch correction.

ANCHORING & HANDLING

Z12V DRUM WINDLASS with concealed through-hull anchor system

11 KG STAINLESS ANCHOR & CHAIN

FLUSH POP-UP MOORING CLEATS: 1 bow, 2 stern

HIGH-CAPACITY 12V TUBE INFLATOR

DECK & SOCIAL CONFIGURATION

HARD TOP STRUCTURE

Large GRP hard top with integrated LED downlighting for weather protection and shaded cruising.

FORWARD LOUNGE

Five-person forward V seating with convertible table system.

AFT SOCIAL ZONE

Four-person bench seating with integrated storage and folding table.

AFT DECK SHOWER

Freshwater transom shower for post-swim rinse.

UPHOLSTERY & COMFORT ENGINEERING

Defined Twisted Clean Finish upholstery

Tiered multi-density foam construction

Reticulated self-draining foam for rapid drying and long-term hygiene

WATERSPORTS & UTILITY

Aft-mounted ski pole

Transom swim ladder

In-water accessible transom storage locker

STORAGE ARCHITECTURE

Large drained underfloor bow locker

Extra-deep helm console storage locker

Deep aft storage system behind bench seating with integrated organisation

PRINCIPAL DIMENSIONS & CERTIFICATION

SPECIFICATION	MEASUREMENT
LOA (without engines)	11.00 m
LOA (with engines)	11.30 m
Beam (inflated)	3.25 m
Beam (deflated)	2.95 m
Deadrise	22°
Displacement	XXXX kg (TBC)
Draft	0.75 m
RCD Category B	12 persons
RCD Category C	16 persons

36GT OPTION PACKAGES

PERFORMANCE & OFFSHORE PRO PACKAGE - £35947.89

Twin Yamaha 400hp upgrade, advanced engine management, heavy-duty battery systems, enhanced offshore instrumentation.

TECHNOLOGY & COMMAND MAX PACKAGE - £19235.56T

Expanded digital switching functions, additional helm displays, advanced sensor integration, helm ergonomics optimisation.

WATERSPORTS ELITE PACKAGE - £8957.78

High-load tow pole, dedicated watersports air pump, reinforced tow architecture, performance ski hardware.

SUPERYACHT ENTERTAINING PACKAGE - £21582.29

Wetbar with grill, sink and drawer fridge, additional house battery, forward table conversion system.

LIGHTING & NIGHT OPERATIONS PLUS PACKAGE - 5777.24

Expanded deck illumination, low light camera, underwater lighting upgrade, cockpit and courtesy lighting enhancement.
