HULL & STRUCTURE

SCORPION DEEP-V “SPORTS” HULL

A proven 24° deep-V hull form engineered for high-speed efficiency, exceptional offshore stability and predictable handling in demanding sea states.

RESIN-INFUSED COMPOSITE CONSTRUCTION

Hull and deck manufactured using advanced vacuum-infused GRP, delivering superior structural strength, reduced overall mass and outstanding long-term durability.

COLOUR & FINISH

Four premium GRP hull colour options.

DECKING SYSTEM

Premium synthetic teak decking — high-grip, UV-stable, low-maintenance with four colour selections.

BUILT IN BRITAIN

Designed and constructed to commercial-grade standards for long service life in harsh marine environments.

CONSOLE & HELM

PROTECTIVE PERFORMANCE HELM CONSOLE

Deep, wrap-around helm console with integrated forward-facing seat, offering excellent wind and spray protection at speed.

DUAL-PLANE ERGONOMIC HELM LAYOUT

Optimised control geometry providing perfect sightlines and reduced fatigue for long passages.

TWIN HELM SUSPENSION SEATING

High-spec suspension pedestals with swivel bases, delivering shock mitigation and versatile seating configuration underway or at rest.

TWISTED LEATHER PERFORMANCE STEERING WHEEL

Leather-wrapped, race-inspired grip geometry.

CUSTOM TWISTED UPHOLSTERY

Eight colour options across three material finishes.

BUOYANCY SYSTEM

ORCA HYPALON TUBES

Premium ORCA Hypalon fabric, hand-built in-house, with Twisted detailing and four colour options in two surface finishes.

STRUCTURAL PROTECTION PACKAGE

Six integrated grab handles and full-length teardrop rubbing strake.

HIGH-OUTPUT 12V TUBE INFLATION SYSTEM

NAVIGATION, COMMAND & ELECTRONICS

GARMIN 15" ULTRA-WIDE CHARTPLOTTER (1523XSV) with through-hull transducer

GARMIN NAVIONICS PROFESSIONAL CHART PACKAGE

GARMIN VHF 215I with AIS transmit/receive

SCANSTRUT ROKK WIRELESS COVE 10W helm-mounted charging system

AUDIO & ONBOARD SYSTEMS

JL AUDIO MARINE-GRADE SPEAKER SYSTEM with independent zone control

JL MARINE 400W AMPLIFIER

LIGHTING & VISIBILITY

LOPOLIGHT LED NAVIGATION SUITE — port, starboard and all-round white

POWERTRAIN & SYSTEMS

STANDARD POWER:

Single Yamaha 300hp four-stroke outboard

UPGRADE OPTION:

Yamaha 350hp + Bow Thruster

FUEL CAPACITY:

450 L \pm 5%

ELECTRICAL ARCHITECTURE

Additional high-capacity marine house battery.

DYNAMIC CONTROL SYSTEMS

Lenco trim tabs with Autoglide automatic pitch correction.

ANCHORING & HANDLING

12V DRUM WINDLASS with concealed through-hull anchor system

8 KG STAINLESS ANCHOR & CHAIN

FLUSH POP-UP MOORING CLEATS: 1 bow, 2 stern

HIGH-CAPACITY 12V TUBE INFLATOR

DECK & SOCIAL CONFIGURATION

FORWARD LOUNGE

Four-person forward V seating with convertible table.

AFT SOCIAL ZONE

Four-person bench seating with integrated storage and folding table.

UPHOLSTERY & COMFORT ENGINEERING

Defined Twisted Clean Finish upholstery

Tiered multi-density foam construction

Reticulated self-draining foam for rapid drying

WATERSPORTS & UTILITY

Aft-mounted ski pole

Transom swim ladder

In-water accessible transom storage locker

STORAGE ARCHITECTURE

Large drained underfloor bow locker

Helm console storage locker

Deep aft storage system behind bench seating with integrated organisation

PRINCIPAL DIMENSIONS & CERTIFICATION

SPECIFICATION	MEASUREMENT
LOA (without engine)	8.00 m
LOA (with engine)	8.30 m
Beam (inflated)	2.72 m
Beam (deflated)	2.25 m
Deadrise	24°
Light displacement (without engine)	983 kg
Estimated displacement (with engine)	1,255 kg
Draft	0.50 m
RCD Category B	10 persons
RCD Category C	12 persons

28S OPTION PACKAGES

PERFORMANCE & OFFSHORE PACKAGE

Yamaha 350hp upgrade

Bow thruster

Heavy-duty battery management system

Upgraded engine instrumentation suite

Humphree lightning interceptor

TECHNOLOGY & COMMAND PACKAGE

Dual display helm layout

Advanced navigation overlays

Extended sensor integration

Helm ergonomics upgrade

WATERSPORTS PACKAGE

High-load tow pole

Dedicated watersports air pump

Additional transom tow points

Reinforced ski pole mount

28S OPTION PACKAGES

CRUISING & ENTERTAINING PACKAGE

Drawer

Additional house battery/fridge

Forward sunpad conversion cushions

Suspension seats replaced with helm bolster

Extended cockpit table system with rear facing seating

LIGHTING ENHANCEMENT PACKAGE

Expanded deck illumination

Underwater lighting

Courtesy lighting throughout cockpit upgrade

BIMINI T-TOP

Stainless steel frame with canvas roof
