HULL & STRUCTURE

SCORPION DEEP-V “SPORTS” HULL

A 24° deep-V hull geometry developed for sustained high-speed offshore operation, delivering exceptional directional stability, impact absorption and predictable handling in heavy sea states.

ADVANCED RESIN-INFUSED COMPOSITE CONSTRUCTION

Hull and deck manufactured using vacuum-infused GRP, producing a high-strength, lightweight composite structure with superior stiffness and long-term fatigue resistance.

COLOUR & FINISH

Four premium GRP hull colour options.

DECKING SYSTEM

Premium synthetic teak decking — UV stable, non-slip, low-maintenance, available in four colour selections.

BUILT IN BRITAIN

Designed and constructed to commercial-grade standards for maximum durability, longevity and structural integrity.

CONSOLE & HELM

OFFSHORE PERFORMANCE HELM CONSOLE

Deep, wrap-around helm console with integrated forward-facing seat providing exceptional wind and spray protection at high speed.

DUAL-PLANE ERGONOMIC HELM GEOMETRY

Optimised control layout for perfect sightlines, intuitive access to critical systems and reduced fatigue during long passages.

POWERED BOLSTER HELM SEATING

Twin ergonomic Scorpion bolster seats with powered up/down bases delivering optimal helm posture and impact mitigation.

COMPANION SEATING

Twin rear passenger seats arranged for versatile social and operational seating configurations.

TWISTED PERFORMANCE STEERING WHEEL

Leather-wrapped with.

CUSTOM TWISTED UPHOLSTERY

Eight colour selections across three premium material finishes.

BUOYANCY SYSTEM

ORCA HYPALON TUBES

Premium ORCA Hypalon fabric, hand-built in-house with Twisted detailing. Four colour options in two surface finishes.

STRUCTURAL PROTECTION PACKAGE

Six integrated grab handles and full-length teardrop rubbing strake.

HIGH-OUTPUT 12V TUBE INFLATION SYSTEM

NAVIGATION, COMMAND & ELECTRONICS

TWIN GARMIN 12" CHARTPLOTTERS with through-hull transducers

GARMIN NAVIONICS PROFESSIONAL CHART PACKAGE

GARMIN VHF 215I with AIS transmit/receive

SCANSTRUT ROKK WIRELESS COVE 10W helm-mounted charging system

AUDIO & ONBOARD SYSTEMS

JL AUDIO MARINE-GRADE SPEAKER SYSTEM with independent zone control

DEDICATED HELM STATION TWEETERS for optimal sound clarity underway

JL MARINE 600W AMPLIFIER

LIGHTING & VISIBILITY

LOPOLIGHT LED NAVIGATION SUITE — port, starboard and all-round white

INTEGRATED DECK ILLUMINATION SYSTEM

TWIN TRANSOM UNDERWATER LIGHTS (white or blue)

POWERTRAIN & SYSTEMS

STANDARD POWER:

Twin Yamaha 250hp four-stroke outboards

UPGRADE OPTION:

Twin Yamaha 350hp with integrated Helm Joystick Control

FUEL CAPACITY:

900 L $\pm 5\%$

ELECTRICAL ARCHITECTURE

Additional high-capacity marine house battery.

DYNAMIC CONTROL SYSTEMS

Lenco trim tabs with Autoglide automatic pitch correction.

ANCHORING & HANDLING

12V DRUM WINDLASS with concealed through-hull anchor system

11 KG STAINLESS ANCHOR & CHAIN

FLUSH POP-UP MOORING CLEATS: 1 bow, 2 stern

HIGH-CAPACITY 12V TUBE INFLATOR

DECK & SOCIAL CONFIGURATION

FORWARD LOUNGE

Five-person forward V seating with convertible table system.

AFT SOCIAL ZONE

Four-person bench seating with integrated storage combines with aft facing helm seating to create social space.

AFT DECK SHOWER

Freshwater transom shower for post-swim rinse.

ANCHORING & HANDLING

DEFINED TWISTED CLEAN FINISH UPHOLSTERY

TIERED MULTI-DENSITY FOAM CONSTRUCTION

RETICULATED SELF-DRAINING FOAM FOR RAPID DRYING AND LONG-TERM HYGIENE

WATERSPORTS & UTILITY

AFT-MOUNTED SKI POLE

TRANSOM SWIM LADDER

IN-WATER ACCESSIBLE TRANSOM STORAGE LOCKER

STORAGE ARCHITECTURE

LARGE DRAINED UNDERFLOOR BOW LOCKER

EXTRA-DEEP HELM CONSOLE STORAGE LOCKER

DEEP AFT STORAGE SYSTEM BEHIND BENCH SEATING WITH INTEGRATED ORGANISATION

PRINCIPAL DIMENSIONS & CERTIFICATION

SPECIFICATION	MEASUREMENT
LOA (without engine)	10.00 m
LOA (with engine)	10.30 m
Beam (inflated)	2.95 m
Beam (deflated)	2.55 m
Deadrise	24°
Light displacement (without engine)	1,940 kg
Estimated displacement (with engine)	2,480 kg
	0.50 m
RCD Category B	12 persons
RCD Category C	14 persons

34T OPTION PACKAGES

PERFORMANCE & OFFSHORE PACKAGE

Twin Yamaha 350hp upgrade, helm joystick control, heavy-duty battery management, advanced engine instrumentation suite.

TECHNOLOGY & COMMAND PACKAGE

Digital switching, Expanded navigation overlays, additional helm displays, extended sensor integration, helm ergonomics upgrade.

WATERSPORTS PRO PACKAGE

High-load tow pole, dedicated watersports air pump, reinforced tow architecture, performance ski hardware.

CRUISING & ENTERTAINING PLUS PACKAGE

Wetbar with grill, sink and drawer fridge, additional house battery, forward table conversion system.

LIGHTING & NIGHT OPERATIONS PACKAGE

Expanded deck illumination, underwater lighting upgrade, cockpit courtesy lighting.

T-TOP UPGRADE

Upgrade to GRP hard T-top from Bimini T-top, includes down lights.

TWISTED 28S

Single Yamaha 350bhp
